ABOUT US

A Family Legacy. A Global Reputation.

Saleem Textiles traces its roots to 1954, when our family established Zeenat Textile Mills Ltd, one of Pakistan's first fully integrated textile operations.

Founded by Mr. Mohammad Saleem in 1986, we have spent nearly four decades manufacturing and exporting premium woven textiles from Faisalabad, Pakistan.

Today we supply hotels, hospitals, distributors and retailers across Kuwait, Oman, Qatar, UAE, Saudi Arabia, Spain and Poland with textiles built on quality, trust and timely delivery.

Our 5-Step Process

01

Weaving

Premium fabrics are woven on advanced shuttle-less looms to ensure exceptional strength, uniform texture, and lasting durability.

02

Printing

Advanced dyeing and printing techniques produce vibrant, colorfast fabrics that meet global quality standards.

03

Lab Testing

Every production batch undergoes rigorous testing for GSM, shrinkage, colorfastness, and tensile strength to guarantee consistent quality.

04

Stitching

Expert in-house stitching delivers precise sizing, superior craftsmanship, and flawless finishing tailored to buyer requirements.

05

Packing

Each order is carefully packed with customized labeling, export-compliant documentation, and secure packaging for worldwide delivery.
